Liability Insurance

If you are involved in an accident, we will be pleased to provide medical care for you. However, we are only able to file claims to liability insurance carriers involving auto accidents. We do not file claims to third party liability carriers.

We ask that in addition to your auto insurance information, you provide us with copies of your health insurance plan as well, any balances remaining after your auto insurance carrier will then be filed to your health insurance plan.

Minor Patients

The accompanying adult/guardian is responsible to pay for services rendered to a minor patient. It is the responsibility of the person bringing the minor into the office to obtain reimbursement from any other source or parent. We will not bill another person regardless of any legal documents; it is the responsibility of the person with the minor patient at the time of service to resolve any issues with other parties.

Information Change

Retina Center of Pensacola asks that patients keep us informed of any updates to addresses, telephone numbers, and any changes to insurance plans.

Collection Agency

Prompt payment is expected per the terms of this agreement. We will use an outside collection agency at times for patient balances as we deem necessary. Prior balances must be resolved before the practice will provide new services. A late fee will be added to any balances that are turned over to an outside collection agency.

I have read and understand the financial policy of Retina Center of Pensacola. I agree and understand the terms and conditions of this policy, I also agree that any questions I have, have been answered by the financial counselors to the best of my understanding.
